She is going to the Center for the Advancement of Wellness. Her new boss is Tia Yancey – having something to do with cancer stuff ☺ - her new title was too long for me to remember it's a CCCC (Cancer Coordinator – something or other) . It's more money for her and I hope she enjoys it!

I just made the statement that Joy was leaving and I wondered who would be sending these out.
So now, where is Joy going?

Good Afternoon!

This is your 2 month courtesy reminder for the Alternatives to Abortion Report that is due Oct. 20th. Thank you!

Diane
